### Local Officer In Navigation Refresher Class

U.S. Air Force First Lieutenant Andrew E. Germer from Torrance is now under-going an extensive refresher course in aerial navigation at the USAF Navigation School located at Ellington Air Force Base near Houston, Texas.

During his training at the school, Lt. Germer will be brought up-to-date on the latest modifications in both celestial and electronic aerial navigation. The latter will be stressed because of its importance in navigating the fast, modern aircraft.

The son of Mr. and Mrs. Andrew H. Germer, 18421 Rosin avenue, Lt. Germer originally entered the service in 1941 and served on active duty until 1945. Prior to his recall to active duty this year, he was public relations representative for the Farmer's & Merchant's National Bank of Los Angeles.
